EUREKA SCHOOL SONG

On a hill-top in Missouri
Stands a school we know so well,
Where we've played and where we've studied,
And 'tis there our mem' ries dwell.

Forward, then, Eureka High School,
For we are all for thee,
And we will fight to make thee
The best school in Missouri.

We will boost Eureka High School
And give our service true
And try to show our loyalty
In all we say and do.

Miss Hartman,
It's been swell having you as a teacher. Good luck next year in Francis Field.

MAY I HAVE YOUR AUTOGRAPH?

A band is only as good as it Director, That's why we have the best. I have caused you a lot of worries but I have always tried my best.. (Allmost) After 3 years of playing the French horn I must feel that I have left E.H.S something, at least a wet floor. Good luck to your your band. whenever I hear a band I will Think of you.

Larry Henderson

I know I was pretty bad this year but it was fun while it lasted. All kidding aside, I really enjoyed being with you this year in Glee Club and Choir. And I won't laugh so much next year.
